**\*Mention “Spring Roundup 2009” for conference rate**

**From the East:** Left off I-90 at exit 105 (Van Buren Steet Exit). Right on E Front Street. You will see the Doubletree prominently on your left before you get to Madison Street.

**From the West:** Right off I-90 at exit 105 (Van Buren St Exit). As above, right on E Front Street, the Doubletree Hotel is on your left.

**From the North (Kalispell, US-93):** You will intersect I-90 west of Missoula. Follow “From the West,” above.

**From Great Falls via MT-200:** You will intersect I-90 east of Missoula. Follow “From the East,” above.

**From the South:** (Not for the faint of heart) Take I-93 north. It becomes Brooks Street in Missoula. Turn right at 6th Street East. 6th Street East is one-way, directly into the University. You will then become hopelessly lost. Left off of 6th Street East onto Madison. If you succeed in this, you are there. The Doubletree is on your right as you cross the river.
